

EMC EUROPE 2010 WROCLAW

International Symposium and Exhibition
on Electromagnetic Compatibility (EMC)

September 13-17, 2010, Wroclaw, Poland

Conference Chair

T. W. Wieckowski, PL (Chairman)

International Steering Committee (ISC)

J.L. ter Haseborg, D (Chairman)

H. Garbe D (Vice-Chairman)

International Steering Committee (ISC)

Board of Chairmen

M. d'Amore, I

F. Silva, E

M. Feliziani, I

J.L. ter Haseborg, D

J. Catrysse, B

T. Wieckowski, PL

A. van Deursen, NL

International Steering Committee

Members

F. Canavero, I

M. Klingler, F

G. Cerri, I

F. Leferink, NL

C. Christopoulos, GB

A. Marvin, GB

P. Degauque, F

G. Peres, F

H. Garbe, D

E. Rodriguez, E

E. Joffe, IS

S. Sarto, I

W. John, D

E. Sicard, I

Z. Joskiewicz, PL

F. Sabath, D

A. Karwowski, PL

J. Welinder, SE

Local Organizing Committee (LOC)

T. W. Wieckowski (Chairman)

Z. M. Joskiewicz (Executive Vice-Chairman)

A. Karwowski (Program Responsibility)

R. Zielinski (Workshops and Tutorials)

J. Janiszewski (Sponsoring)

A. Kozłowska (Exhibition, Secretary and
Reception Desk Coordinator)

A. Florek (Exhibition)

B. Andrasz (Secretariat)

R. Struzak (Adviser)

K. Anisierowicz, A. Kucharski, W. Moron

The Organizers of the International Symposia and Exhibitions on Electromagnetic Compatibility invite you to attend and contribute to the

EMC Europe 2010

*the 9th International Symposium on EMC organized jointly
with the 20th International Wroclaw Symposium on EMC.*

The EMC Europe 2010 will continue the tradition of the oldest regular European Symposium on EMC conducted in Wrocław (Poland) since 1972 as well as tradition of European Symposia organized since 1994 in Rome, Brugge, Sorrento, Eindhoven, Barcelona and Hamburg.

The Symposium will be hosted and organized by the Wrocław University of Technology (WrUT) in a 750 years old town of Wrocław, Poland, a friendly European city with dozens of historical and cultural places.

The intent of this conference is to bring together those working in the field of EMC from European countries and from the countries of other parts of the world and create an excellent forum for useful contacts and exchange of scientific and technical information between researchers and practicing engineers from academia, research laboratories, industry and government agencies. The symposium gives the unique opportunity to present the progress and results of their work and to exchange ideas, discuss different points of view and share experiences with colleagues involved in EMC.

Contributions

Prospective authors are invited to submit electronically their original and unpublished full papers (4 or 6 pages including abstract and figures). The deadline has been extended till

February 15, 2010

Authors will be notified of the results of the review process till

April 19, 2010

Final paper has to be delivered till

June 14, 2010

Topical meetings, workshops, tutorials and EMC experiments

Workshops and tutorials will be organized on 13th and 17th September 2010. EMC experiments and measurement techniques will be presented on 15th September after lunch. During the conference it is also possible to organize other meetings and sessions. Proposals for workshops, tutorials and EMC experiments as well as topical meetings and sessions are welcome. Prospective organizers/speakers are invited to contact the local organizers. Deadlines you can find on the conference website.

Exhibition

Traditionally, the Symposium will be accompanied by technical exhibition on EMC and RF/microwave measurements and instrumentation (September 14-16, 2008). We also invite manufacturers and distributors of EMC-related equipment and tools, measurement and EMC test systems, protecting device and components, microwave instrumentation, electromagnetic analysis and synthesis software.

Sponsoring

It is also possible to take advantage of many sponsorship opportunities. Any forms of sponsoring (technical, financial or any other) to promote the conference or increase its quality are very welcome. To become a conference sponsor please contact organizers.

Participation

Do not hesitate to join EMC EUROPE 2010 in Wrocław and taste the unique and unforgettable atmosphere of this event.

Additional and detailed information is available on Symposium website:

www.emceurope.org/2010 or www.emceurope.eu/2010

We are looking forward to meeting you in Wrocław in 2010
